Sundowner Answers Today's Active Lifestyles with The Outdoorsman

Coleman, OK --- Sundowner Trailers developed The Outdoorsman as a versatile solution to the hauling needs of many of today's active lifestyles. Its versatility and customization possibilities have proven to be the perfect answer for many new owners whether they are hauling an ATV, a vehicle behind their RV, lawn equipment for their business, or a BBQ grill for serious work or play. The convenient front storage compartment keeps gear out of the weather and safe under lock so owners can focus on the task at hand. Lightweight and easily maneuvered, the Outdoorsman provides the quality expected in a Sundowner Trailer with the flexibility these active lifestyles demand.

The model comes 81" wide and 20' long with a 13' open deck. Footage can be added to suit specific needs. A seven foot long enclosed cargo area is standard with lined and insulated walls and a 36" side access door. Its aluminum exterior skin is available in a variety of standard colors. A two foot front gravel guard and polished heavy duty extruded aluminum bottom rail enhance the attractive design. The all aluminum construction includes a six inch aluminum interlocking plank floor with four recessed heavy duty tie downs, fenders, full length running boards and two six foot slide-in removable ramps. Two 3500 pound rubber torsion axles and four wheel electric brakes, aluminum wheels and radial tires are standard as well as LED marker and tail lights. Popular options include a dovetail, utility ramp, rear access door to open deck, load lights or porch lights, cabinets, shelves, air conditioning, windows and electrical packages. As always, Sundowner welcomes the opportunity to tailor each Outdoorsman to the specific needs of the new owner.

Another contributing factor to its popularity is the attractive price point. As with all Sundowner Trailers, The Outdoorsman is backed by a transferable 36-month hitch-to-bumper warranty and an eight-year structural warranty.

To learn more about The Outdoorsman go on line to www.sundownertrailer.com , email info@sundownertrailers.net or call 800-438-4294.
