

Sundowner's new XL DeckOver Series has the tough features you need to handle an array of hauling needs. Whether it's equipment for work, hay or feed for animals or your toys like ATVs, Side by Sides and rock crawlers, this trailer can handle it. The XL DeckOver is loaded with features and popular options plus it can be customized to fit your specific needs. This gooseneck has a 2x6 treated wood floor on 12" I beam crossmembers. The dovetail has flip over heavy duty ramps for easy loading and the rub rail with stake pockets makes securing your load easy.
